Retirement

(Bee Ewing)

Time is a wonderful thing
To have on your side at last.
Look forward with faith to the future,
Accept with peace the past.
Time for travel, fun and adventure,
To discover new dimensions in yourself.
It is time to do what pleases you,
Take a dusty dream off the shelf.
Fulfillment is found in expression,
Priorities are yours to arrange.
Retirement is just another word,
For what can be a wonderful change.

About
Methodist College*

A Note From The Editor

Editor: Andrea Allen

This past year has been one of the most interesting, exciting, frustrating, stressful, happiest years of my collegiate life.

Because I am a graduating senior, this year will be my last year at Methodist College. While I have complained and procrastinated with the best of them, I am going to miss college life and the experiences I had while I was a student here!

While I have been a student at this college, I have participated in many activities and the friends that I have made through these organizations will be friends for life.

Friends who patiently listened to my frustrations in high school had the experience to deal with my irrational complaints in college. These friends will always hold a place in my heart.

There is only one thing that I am more thankful for than friends and that is family. These are the

people who give encouragement when you feel like giving up and praise when you don't. These are the people who keep you aiming for the stars when they seem just out of reach. These are the people who don't look surprised when you finally catch them.
